

1052. LITTLE CHURCH OF THE FLOWERS, FOREST LAWN MEMORIAL PARK.

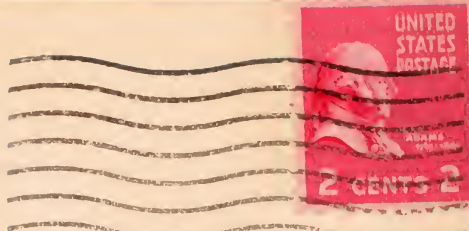

GLENDALÉ, CALIFORNIA.

The Little Church of the Flowers is an exact replica of the six century old Stokes Poges Church in England. Stokes Poges was the scene of Thomas Grey's immortal "Elegy in a Country Churchyard," and is his burial place. This famous church in Glendale is the scene of many weddings, including those of movie stars and celebrities.
